3 Log in to the account and upload the program

3. Open www.m2mled.net and log in account

The screenshot shows a web browser window with the address bar displaying www.m2mled.net/login. The page title is "USER LOGIN". It features a login form with the following fields:

- LANGUAGE: A dropdown menu set to "English".
- ADMIN ACCOUNT: A text input field.
- ADMIN PASSWORD: A text input field.
- A blue "Login" button.
- Links for "Reset password" and "Join".

Below the login form, there is a link that says "Download guide video and documents".

3.1 Y10 control card is green to indicate that the setting is successful

The screenshot shows a web interface for managing terminals. At the top, there's a "Terminal List" section with a "Current group: All" dropdown, a "Terminal Group Editor" button, a "Query terminal state" button, and a "Delete" button. Below this is a table with the following columns: Online, Id, Alias, Group, Net type, Last offline, Width, Height, Brightness, Volume, Screen status, and Sensor.

Online	Id	Alias	Group	Net type	Last offline	Width	Height	Brightness	Volume	Screen status	Sensor
	y10-b16-00250	noname	已入库	WIFI	2017-06-01 13:01:18	384	128	64	12	on	
	y10-116-21686	noname	已入库	WIFI	2017-05-27 11:10:03	192	64	64	12	on	

Below the table, there's a "Screenshot" button and a "Realtime Message" button. At the bottom, there's a "Video Monitoring" section.

The screenshot displays the 'Programs' section of the Eyecatchmedia software. A modal dialog titled 'Add program' is open, showing input fields for 'Width' (192) and 'Height' (64), with 'Close' and 'OK' buttons. Below the dialog, the 'Program List' table is visible, containing columns for Name, Type, Width, Height, Size, and Action. The table lists several programs, mostly of 'Advanced' type with a size of 2.075MB, and one 'Simple' type program. Each row has a set of action buttons: Edit, Copy, Create Task quickly, Download, Delete, and Terminal Play Log.

Name	Type	Width	Height	Size	Action
